

About

Description

Vision:

Making quality sermons on everything accessible to everyone everywhere everytime

Mission:

To provide quality sermons to everyone through the state of the art digital resources.

Core Values

God is the initiator of our Sermons

Christ is the center of our sermons

Providing Holy Spirit filled Sermons

Accessible, Open and Free Sermons

Projects

Sermon Accessibility on everything

[Access Bible in 16 Languages in our sermons](#)

The Network System: [This is to let people win souls through our sermons and manage the souls here. You can connect an unbeliever, rededicate someone, subscribe someone, add friends and family members to your connections. You can also manage these connections on this site](#)

The XGospel Project is part of Dr George Owusu Ministries
