The Cambodian Christian Revival of the 1990s was a period of spiritual renewal and growth in the Christian faith in Cambodia. It was a time of great spiritual awakening and transformation for the Cambodian people, and it has had a lasting impact on the country's religious landscape.

The revival began in the early 1990s, when a group of Christian missionaries from the United States and other countries began to travel to Cambodia to spread the gospel. These missionaries were inspired by the stories of the Cambodian people's suffering during the Khmer Rouge regime, and they wanted to bring hope and healing to the country.

The missionaries were met with a great deal of resistance from the Cambodian government, which was still in the process of rebuilding after the Khmer Rouge regime. Despite the government's opposition, the missionaries were able to establish churches and ministries in various parts of the country.

The revival was marked by a renewed focus on the Bible and the teachings of Jesus Christ. The missionaries taught the Cambodian people about the love of God and the power of prayer. They also encouraged the Cambodian people to read the Bible and to pray for guidance and strength.

The revival was also marked by a renewed emphasis on evangelism. The missionaries encouraged the Cambodian people to share their faith with others and to spread the gospel to their neighbors. This resulted in a dramatic increase in the number of Christians in Cambodia.

The revival also had a profound impact on the Cambodian culture. The missionaries taught the Cambodian people about the importance of family and community, and they encouraged them to live in harmony with one another. This

resulted in a greater sense of unity among the Cambodian people, and it helped to create a more peaceful and prosperous society.

The revival was also marked by a renewed emphasis on worship. The missionaries taught the Cambodian people about the importance of worshiping God and praising Him for His goodness. They also encouraged the Cambodian people to sing hymns and to pray together.

The revival was a time of great spiritual transformation for the Cambodian people. It was a time of hope and healing, and it has had a lasting impact on the country's religious landscape. As the Bible says, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and will heal their land" (2 Chronicles 7:14).
