## Introduction

The Third Great Awakening was a period of religious revival that occurred in the late 19th and early 20th centuries in the United States. It was a period of intense spiritual renewal and growth, and it had a profound impact on the religious landscape of the country.

## Causes of the Third Great Awakening

The Third Great Awakening was a response to the increasing secularization of society in the late 19th century. As science and technology advanced, many people began to question the traditional religious beliefs and practices of the past. This led to a period of spiritual searching and exploration, as people sought to find a new way to connect with God and to make sense of the world around them.

The Bible speaks of a time of spiritual renewal and awakening in the book of Joel:   
“And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see

---

visions.â?• (Joel 2:28)

## Characteristics of the Third Great Awakening

The Third Great Awakening was characterized by a renewed emphasis on personal faith and spiritual experience. It was a period of intense religious fervor, as people sought to deepen their relationship with God and to find a more meaningful way to live their lives.

The Third Great Awakening was also marked by a renewed emphasis on social justice and reform. Many of the religious leaders of the time sought to use their faith to address the social ills of the day, such as poverty, racism, and inequality.
