Dealing With Injustice

Injustice is a difficult thing to deal with, especially when it comes to believers. It can be hard to understand why God allows us to suffer through injustice, but it is important to remember that He is always with us and will never leave us. The Bible tells us that God is a just God and He will always bring justice in the end.

The Bible also tells us that suffering is part of the Christian life. We are called to take up our cross and follow Jesus, and this means that we will face suffering and injustice in this life. It is important to remember that God is with us in our suffering and He will use it to bring about good in our lives.

God is a God of justice and He will always bring justice in the end. He will never leave us in our suffering and He will use it to bring about good in our lives. We can trust that God will bring justice in the end and that He will use our suffering to bring about good in our lives.

Salvation Prayers : Dear Lord Jesus, I come to you today acknowledging my need for salvation. I confess that I have sinned and fallen short of your glory. But I believe that you died for my sins and rose again. I ask that you come into my heart and be my Lord. I commit to following you and living for you every day. Thank you for your love and for the gift of eternal life. In your name I pray. Amen.
