Mental health is an important part of our overall well-being. Substance abuse is a serious issue that can have a devastating impact on our mental health. It is important to be aware of the symptoms of substance abuse and to be able to recognize them in order to seek help. In this blog post, we will discuss the symptoms of substance abuse and provide sample questions with response schemes and interpretations to help identify them. We will also provide a quiz to test your knowledge and provide some FAQs to answer any questions you may have.

The Bible tells us that “the Lord is close to the brokenhearted and saves those who are crushed in spirit” (Psalm 34:18). We can take comfort in knowing that God is always with us and will never leave us. He is our source of strength and hope in times of difficulty.

Symptoms of Substance Abuse

The symptoms of substance abuse can vary depending on the type of substance being abused. Generally, the most common symptoms include:

- Changes in behavior: Substance abuse can cause changes in behavior such as

aggression, irritability, and mood swings.

- Changes in physical appearance: Substance abuse can cause changes in physical appearance such as weight loss, poor hygiene, and changes in skin color.
- Changes in sleep patterns: Substance abuse can cause changes in sleep patterns such as difficulty sleeping or sleeping too much.
- Changes in appetite: Substance abuse can cause changes in appetite such as decreased appetite or increased appetite.
- Changes in social activities: Substance abuse can cause changes in social activities such as avoiding social situations or engaging in risky behaviors.

Sample Questions with Response Scheme and Interpretation

1. What are the most common symptoms of substance abuse?

- A. Changes in behavior
- B. Changes in physical appearance
- C. Changes in sleep patterns
- D. Changes in appetite
- E. Changes in social activities

Answer: A, B, C, D, E

Interpretation: The most common symptoms of substance abuse are changes in behavior, physical appearance, sleep patterns, appetite, and social activities.

2. What does the Bible say about those who are struggling with substance abuse?

-
- A. "The Lord is close to the brokenhearted and saves those who are crushed in spirit" (Psalm 34:18)
- B. "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God" (Philippians 4:6)
- C. "Trust in the Lord with all your heart and lean not on your own understanding" (Proverbs 3:5)
- D. "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future" (Jeremiah 29:11)

Answer: A

Interpretation: The Bible says that "the Lord is close to the brokenhearted and saves those who are crushed in spirit" (Psalm 34:18). This is a reminder that God is always with us and will never leave us. He is our source of strength and hope in times of difficulty.

Salvation Prayers : Dear Lord Jesus, I come to you today acknowledging my need for salvation. I confess that I have sinned and fallen short of your glory. But I believe that you died for my sins and rose again. I ask that you come into my heart and be my Lord. I commit to following you and living for you every day. Thank you for your love and for the gift of eternal life. In your name I pray, Amen.
