Jesus Proverbs on Relationships

Relationships are an integral part of our lives. They are the foundation of our society and the cornerstone of our faith. Jesus Christ, the Son of God, has given us many proverbs on relationships that can help us to build strong and lasting relationships.

1. Love One Another

One of the most important proverbs that Jesus gave us on relationships is to “love one another” (John 13:34). This is a simple yet powerful commandment that can help us to build strong relationships with those around us. When we love one another, we are showing our commitment to the relationship and our willingness to put the other person’s needs before our own.

2. Forgive One Another

Another important proverb that Jesus gave us on relationships is to “forgive one another” (Matthew 6:14). This is a difficult commandment to follow, but it is essential for building strong relationships. When we forgive one another, we are

showing our willingness to move past any hurt or pain that may have been caused in the past. This can help us to build stronger relationships with those around us.

3. Serve One Another

Jesus also taught us to “serve one another” (Galatians 5:13). This is a powerful commandment that can help us to build strong relationships with those around us. When we serve one another, we are showing our commitment to the relationship and our willingness to put the other person’s needs before our own.

4. Pray for One Another

Jesus also taught us to “pray for one another” (James 5:16). This is an important commandment that can help us to build strong relationships with those around us. When we pray for one another, we are showing our commitment to the relationship and our willingness to put the other person’s needs before our own.

5. Encourage One Another

Finally, Jesus taught us to “encourage one another” (Hebrews 10:25). This is a powerful commandment that can help us to build strong relationships with those around us. When we encourage one another, we are showing our commitment to the relationship and our willingness to put the other person’s needs before our own.

These are just a few of the many proverbs that Jesus gave us on relationships. By following these proverbs, we can build strong and lasting relationships with those around us.

Salvation Prayers : Dear Lord Jesus, I come to you today acknowledging my need for salvation. I confess that I have sinned and fallen short of your glory. But I believe that you died for my sins and rose again. I ask that you come into my heart and be my Lord. I commit to following you and living for you every day. Thank you for your love and for the gift of eternal life. In your name I pray, Amen.
