Living by faith and not by sight is a concept that is found throughout the Bible. It is a way of life that is based on trusting in God and His promises, rather than relying on our own understanding or what we can see with our eyes. The Bible tells us that faith is the assurance of things hoped for, the conviction of things not seen (Hebrews 11:1). This means that we can have confidence in God's promises even when we cannot see them with our eyes.

The Bible also tells us that faith is the substance of things hoped for, the evidence of things not seen (Hebrews 11:1). This means that faith is the foundation of our hope and the assurance that God will fulfill His promises. We can trust in God's Word even when we cannot see the outcome with our eyes.
