## The Bible and Mental Health

The Bible has a lot to say about mental health and how we should care for our minds and bodies. In 1 Peter 5:7, we are encouraged to “cast all our anxiety on him because he cares for you.” This verse reminds us that God is always with us and that we can turn to him in times of distress.

In Philippians 4:6-7, we are told to “do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.” This verse reminds us that we can turn to God in prayer and that he will give us peace and comfort in times of distress.

In Isaiah 41:10, we are told to “fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.” This verse reminds us that God is always with us and that he will never leave us.
