Cyberbullying is a growing problem in today's world. It is a form of bullying that takes place online, through social media, text messages, and other digital platforms. It can have a devastating effect on the mental health of those who are targeted.

The Bible speaks of the importance of treating others with kindness and respect. In Matthew 7:12, Jesus says, "So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets." This verse is a reminder that we should treat others the way we would want to be treated.

Cyberbullying can have a negative impact on mental health in a variety of ways. It can lead to feelings of depression, anxiety, and low self-esteem. It can also lead to physical symptoms such as headaches, stomachaches, and difficulty sleeping.

The Effects Of Cyberbullying

The effects of cyberbullying can be long-lasting and can even lead to suicidal thoughts and behaviors. It is important to take steps to protect yourself and your loved ones from cyberbullying. Here are some tips to help you stay safe online:

- Be aware of what you post online.
- Don't respond to negative comments or messages.
- Block or report anyone who is harassing you.
- Reach out to a trusted adult if you are being bullied.
- Take a break from social media if you need to.

Salvation Prayers : Dear Lord Jesus, I come to you today acknowledging my need for salvation. I confess that I have sinned and fallen short of your glory. But I believe that you died for my sins and rose again. I ask that you come into my heart and be my Lord. I commit to following you and living for you every day. Thank you for your love and for the gift of eternal life. In your name I pray, Amen. **Amen** If you prayed the above prayers kindly click here to get more information https://www.xgospel.net/harvest_form/form/?page=0&salvation=true
