What is Righteousness?

Righteousness is a term that is used throughout the Bible to describe those who are in right relationship with God and His Word. It is a state of being in total agreement with God's laws and commands. It is a state of spiritual maturity, of being in right relation with God and His Word. It is an attribute of God Himself and is something that He desires we strive to emulate. The Bible says in Proverbs 11:5, "The righteousness of the upright will deliver them, but the unfaithful will be caught in their own devices."

What Does the Bible Say about Righteousness?

The Bible is full of passages that speak to the importance of righteousness and the rewards that come from living a life according to God's laws and commands. In Romans 8:1-4, Paul says, "Therefore, there is now no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit who gives life has set you free from the law of sin and death. For what the law was powerless to do because it was weakened by the flesh, God did by sending his own Son in the likeness of sinful flesh to be a sin offering. And so he condemned sin in the flesh, in order that the righteous requirement of the law might be fully met in us, who do not live according to the flesh but according to the Spirit."
