WhatsApp is a powerful tool for reaching out to unsaved people in Christianity. It is a great way to spread the gospel and share the love of Jesus Christ with those who may not have heard it before. The Bible says, “Go into all the world and preach the gospel to every creature” (Mark 16:15). With WhatsApp, you can easily reach out to people in different countries and cultures, and share the good news of Jesus Christ.

One of the best ways to use WhatsApp to reach out to unsaved people in Christianity is to create a group chat. This allows you to easily communicate with multiple people at once, and share the gospel with them. You can also use the group chat to answer any questions they may have about Christianity, and provide them with resources to help them learn more.

Another great way to use WhatsApp to reach out to unsaved people in Christianity is to create a broadcast list. This allows you to send out messages to multiple people at once, without having to individually message each person. This is a great way to share Bible verses, inspirational quotes, and other Christian content with those who may not have heard it before.

**Salvation Prayers** : Dear Lord Jesus, I come to you today acknowledging my need for salvation. I confess that I have sinned and fallen short of your glory. But I believe that you died for my sins and rose again. I ask that you come into my

heart and be my Lord. I commit to following you and living for you every day. Thank you for your love and for the gift of eternal life. In your name I pray, Amen. **Rededication Prayers** : Dear Lord Jesus, I come to you today with a heart of repentance. I confess that I have strayed from your path and have not been living according to your will. But I am here to rededicate myself to you and to make a commitment to follow you with all my heart. I ask for your forgiveness and for the strength and guidance to walk in your ways. I thank you for your love, grace, and mercy. I give you my all, my heart, my mind, my soul, and my strength, I trust in you and I pray this in Jesus' name, Amen. [Amen](#)
